MESSAGE FROM THE

President

G'day Corvetters,

I have returned from two months in Europe and may I say that the only Corvettes I saw were C8s and plenty of them! Now it's back to reality.

The day at Sydney Motorsport Park (Eastern Creek) Shannons day was reasonably attended by our club and all those who did attend had a good day.

The club's Show'n Shine was held in conjunction with Lugarno Lions Community Fair and what a day it was with over 100 pop-up stalls selling everything from alcohol to twisted chips. Also plenty of trinkets and clothing, Display of SES & Fire Services and a car display which had Mustangs, Aussie Fords, Holdens, classic cars and of course, our

Corvettes. We had 27 cars turn up. I have booked the same venue for our Show'n shine next year.

Our AGM is on at our November meeting and we will need some new blood for our committee. Please see if you can avail yourself to hold a committee position. Unfortunately our club can't run itself!

Port Macquarie weekend is on again on 18-20th October. Ring Jaggise if you are attending. I am going and will see you there.

Sausage Sizzle - ring Trevor 0478 419 173 for catering purposes. Bring your own drinks. Off-street parking for all Corvettes.

Chromefest at the Entrance is on 25-27 October. If you are not going north for Chromefest, then how about Jamberoo Car Show and Family Fun day?

The Corvette **National Convention** in Parkes 28-30 March 2025 - only 184 days away, so you should get yourself organised or you may miss out - accommodation is filling fast. Don't forget if you haven't entered by 1st December you may miss out on your convention shirt. So come on and commit - you know you want to be there!!

A big **THANK YOU** to the **outgoing Committee**, well done, enjoy your club retirement and welcome to the new Committee. See you at the meeting and on the road. Enjoy your Club.

On a personal note, I have a Corvette for sale. It belongs to one of our members who is suffering ill-health and has to sell his C4 1994 black on black manual. Call me for details.

Jeff Wilson

See my TRIVIA on page 12

Hi Corvette Friends,

We have had an interesting time this month.

Our trip to Forster visiting Nabiac markets and the bike museum and Wingham for lunch. Great meals at Forster, great fun and great company.

Then we had the Club Show 'n Shine at Riverwood Park.

Organised by the Lugarno Lions Club with lots of stalls, food, music, displays and a car show displaying lots of cars including our Corvettes of many different ages and colours. Great display and prizes awarded.

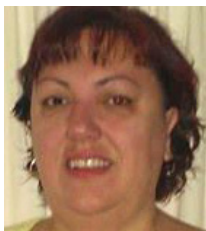

Coming Events include a breakfast run to Mulgoa and a weekend away at Port Macquarie and should be lots of fun.

We have our Annual General Meeting in November so think about volunteering for a position. It is very rewarding and helps keep our club up and running and alive. We are still in need of people and companies to sponsor our Convention next year. All sponsors will be acknowledged for their generosity. Trophies are \$100 each.

Get out and enjoy your Corvettes.

Peter Eldred.

Secretary's Report - Belinda

HI CAR CLUBBERS,

We currently have registration documents and payments coming through, which is exciting. There is roughly 8 months till the big event, this will come around very quickly, so please, if you have booked your accommodation, complete the registration form and forward to me.

The AGM is going to be held on the 5th November at the Club meeting. All positions will be vacated, so if you want to put yourself forward to take a position on, please advise me by the 30th October.

24th November has been marked for our end of year get together and is being held at Bobbin Head. We have booked an area and this will be a catered event. Presentation of Show and Shine trophies will also take place.

Show & Shine Winners.

FORSTER WEEKEND

Lynne and I would like to thank our Corvette friends for making the Forster weekend so awesome and fun. 2024 was the first Forster Corvette weekend and we hope to arrange another one next year.

The weather was perfect for the start of spring and Father's Day.

Friday was all about catching up with friends and a delightful Asian meal at a restaurant with fabulous views and amazing sunset.

Saturday morning was a short drive to the Nahi National Motorcycle Museum. With over 1,200 bikes on show, it is quite some museum to visit. We also had chance to visit the local farmers market. The avocado based ice cream was my pick, so yum.

Saturday was a lunch at 'Bent on Food' in Wingham after a bumpy country drive where I chased away a brown snake and kangaroo from the road!!

Saturday's evening meal was at Wharf Street Distillery. The food was fabulous, but the gin was well worth the try. It was great that Gary and Vicki Nelson could join us too.

Gary also made us aware that on the Sunday morning there was a 'Cars Under the Stars' Forster car show just nearby. As you'd expect, the Corvettes were very well-received at the show. I wonder where Theo's trophy went?

Our Sunday lunch was a quick drive south of Forster to The Recky overlooking Wallis Lake. What an awesome view we had on the deck and I really enjoyed the food too.

Sunday arvo was all about relaxing and our evening meal with farewells was Mexican style, again with awesome views.

Lynne and I are looking forward to seeing you all soon again.

PS, don't forget the Port Macquarie weekend 18-20 October 2024.

Regards

Richard Jagger

CODGERS CRUISING IN AUGUST

It was a grey and overcast day but dry so there was a roll up of a few of the regular cruisers. Wayne and Wilma came down from the Mountains, Neil and Debbie joined us from the Hinterland, Mark was there from Newcastle, Stuart rolled out in the suspect weather, Tim and Jane came along from Lake Macquarie and Jean and Pete turned up

The Cruise to the Chef's Garden at Empire Bay was fairly uneventful and Pete, the oldest Codger, only made one turn too soon just to see if the following drivers were paying attention!

We were very pleased that Rob and Kim were able to join us for a chat and a break from the Doctors and that Ed and Ree and Dave and Sandy were able to drop by for the usual coffee and chat too.

We then cruised on to the pub at Avoca for the lunch stop where we finished up for the day.

Just after all that, Jean and I ran away to Queensland for a road trip that had a few changes of plans but even so we enjoyed ourselves and caught up with Frank and Robyn Rejtano and John and Liz McGrath from the old days.

We will be back for the October Codgers Cruise which will be on October 17th just before Lyn and Richard will be welcoming us to Port. Maybe some people will be able to do both like Jean and me. Any excuse to get a car out for some fun driving.

I will have the plan for 17th out soon. Check the email or check with me on 0438 323 744.

Cheers, **Pete**

TRIVIA by JEFF

- 1960 ... 10,261 made minor changes to the interior: red and blue bars on the dash logo, vertical stitching on seats.
- 1961 ... 10,939 made new rear styling, bumpers and round tail lights. New fine mesh grill
- 1962 ... 14,531 made 327 cu in (5.36L) V8 engine; last year with a trunk until 1998. New black grill with chrome surround and chrome rocker panel mouldings.

Past Events:

Sunday 25th August was the **CMC Shannon's Sydney Classic** at Eastern Creek. I was unable to attend but was told it was a great day. (videos on Facebook)

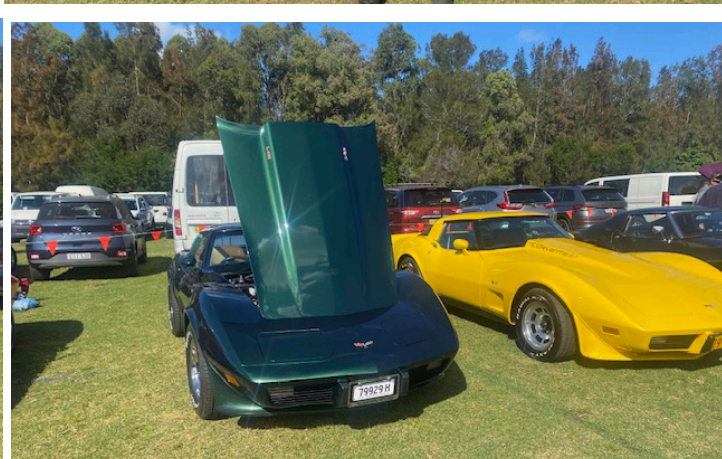

Sunday 15th September was **our Club Show'n Shine** held at Riverwood Community Fair. This was a great event. There were lots of stalls, food trucks, entertainment along with the cars on display. Thank you to everyone who came along and congratulations to all our winners. Here are some photos.

FOR SALE - 1976 Chevrolet Stingray C3.

Auto transmission; exterior colour is red, interior colour black. Fuel type: gasoline.

This car is in excellent condition with low mileage and clean PPSR. It has been well-maintained and serviced regularly. The engine was refreshed in early 2023 and comes with all the original documents and manuals. The pop-up headlight mechanism was also converted to an electronic system rather than the previous air-driven pneumatic system which is prone to failure. Beneath the hood lies a V8, 350 cubic inch, 180 horsepower engine. It also comes with a 3-speed wide ratio automatic transmission, buffed vinyl interior trim, removable T-tops and new floor carpets. Relectant sale as purchasing a boring ute for work!
